Bern and Kreuzlingen, October 16th, 2017

Dear all

We herewith kindly invite you to register for the next **"Cytomeet"** that will take place on

<div align="center">

**JANUARY 23, 2018
Haus der Universität, Schlösslistrasse 5, 3008 Bern
10:15 am – 4:00 pm
(see enclosed document)**

</div>

Our 2018 international Keynote speakers are **Dr. Matteo Iannacone** from the San Rafaele Research Institute in Milan, Italy, and **Dr. Philippe Bousso** from the Pasteur Institute, Paris, France. Our national Keynote speaker is **Dr. Santiago Gonzalez** from the IRB in Bellinzona. Their common research thread focuses on **visualizing the adaptive immune response** during innate and adaptive immune responses, with publications in leading journals including *Cell, Nature, Science Immunology* etc.

Please let us know by December 15 whether you would be willing to participate and - if interested - present your recent work in a 15 min-formate (12 min talk plus 3 min discussion). Attention: there is limited space for such presentations!

Also, **do not forget to let us know whether you will be staying for lunch**. We do need this information to adapt the food supply accordingly.

Kind regards and hope to see you in Bern on January 23, 2018!

Prof. Daniel Legler   Prof. Jens Stein
